"G-A's winning tradition will not be entrusted to the timid or the weak."

G-A Football Coach Bill Maskill has distinguished himself as a leader among young men. This year marked his 200th victory as a high school football coach, an achievement accomplished by only two other men in the State of Michigan.

He was chosen "Coach of the Year" by the Kalamazoo Gazette and was honored by the community with a victory celebration.

The Rambler Staff dedicates this 1980-1981 yearbook to Coach Bill Maskill.

G-A's Denny Schug (right) had a lot to talk about last fall with his hospital roommate Martin Kube of Gobles.

The photograph above is an unusual one. Last fall, on Fri., Oct. 3, during the Bangor football game, Denny Schug's left knee received ligament damage requiring surgery. During his stay at the hospital, Denny found that his roommate, Martin Kube of Gobles, not only received similar injuries to the same knee, but had the same number (62). Also, both played for the Gazette's no. 1-ranked team in his class.

Denny, a defensive end-offensive guard, was greatly missed on the field by his teammates, but showed his dedication and enthusiasm on the sidelines for the rest of the season.

FALL ACTIVITIES

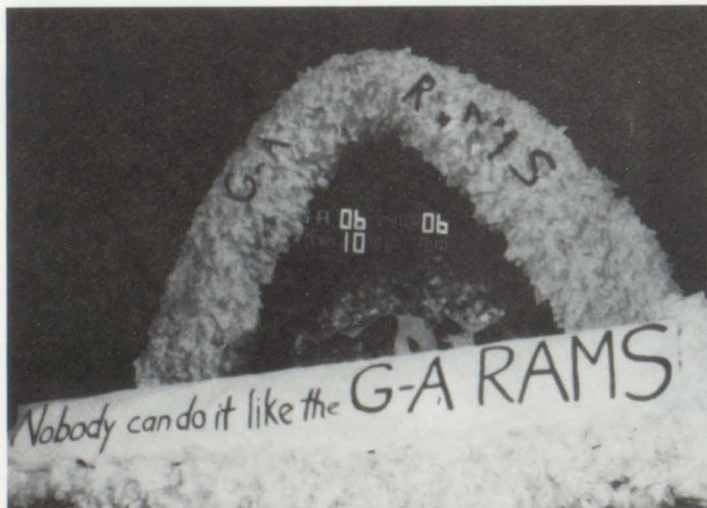

Mrs. Longton's Home and Family Living class had an exciting event this fall — a make-believe wedding, complete with guests and reception. At right, groom Stuart Little and his bride, Karen Hermanns, recite their vows as minister Beth Cornell looks on.

Photo courtesy of the Kalamazoo Gazette

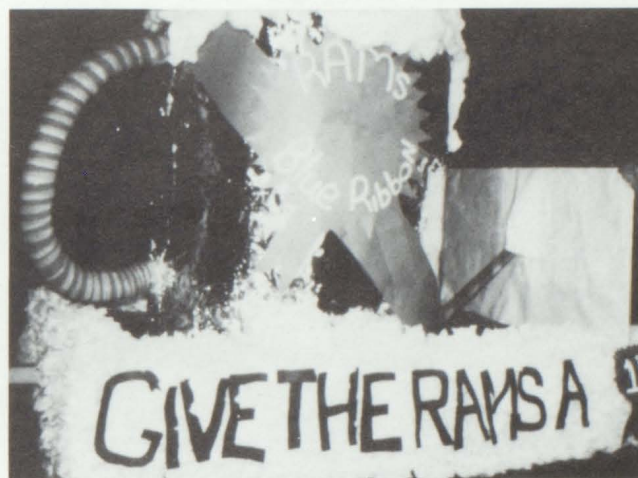

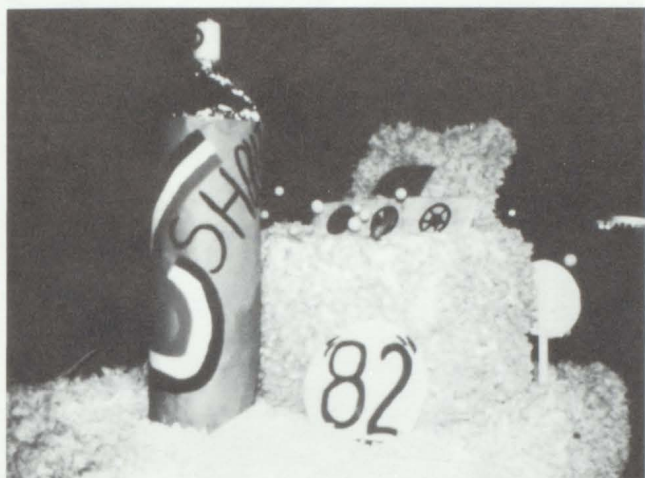

Homecoming this year was a big event with our victory over Parchment, 20-18. The above left photo shows some of the team's reaction, and as the right photo shows, the G—A Marching Band provided a show despite the rain.

At left, the freshman class float and halftime score.

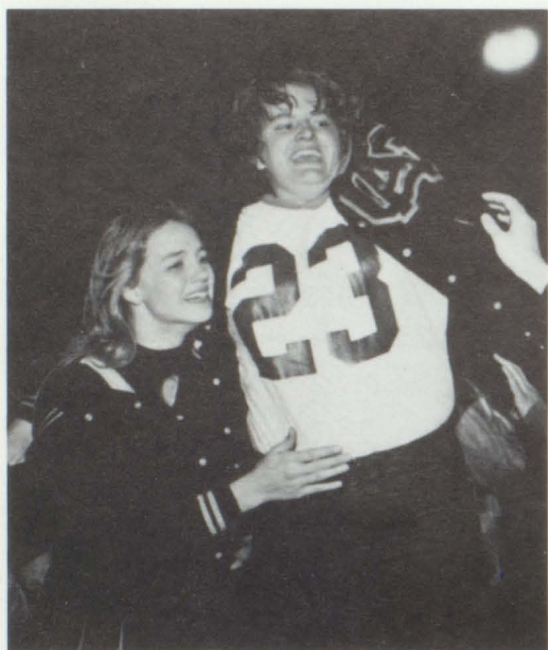

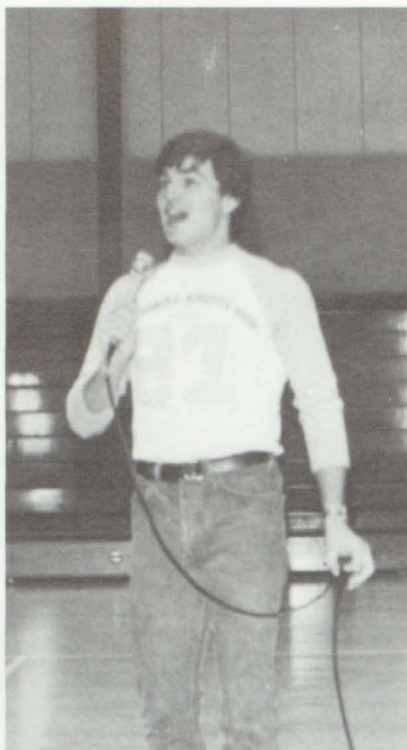

The Homecoming theme was "Rams, We're Sold on You." The floats were based on commercials. Above is the sophomore float; below, the junior and senior floats.

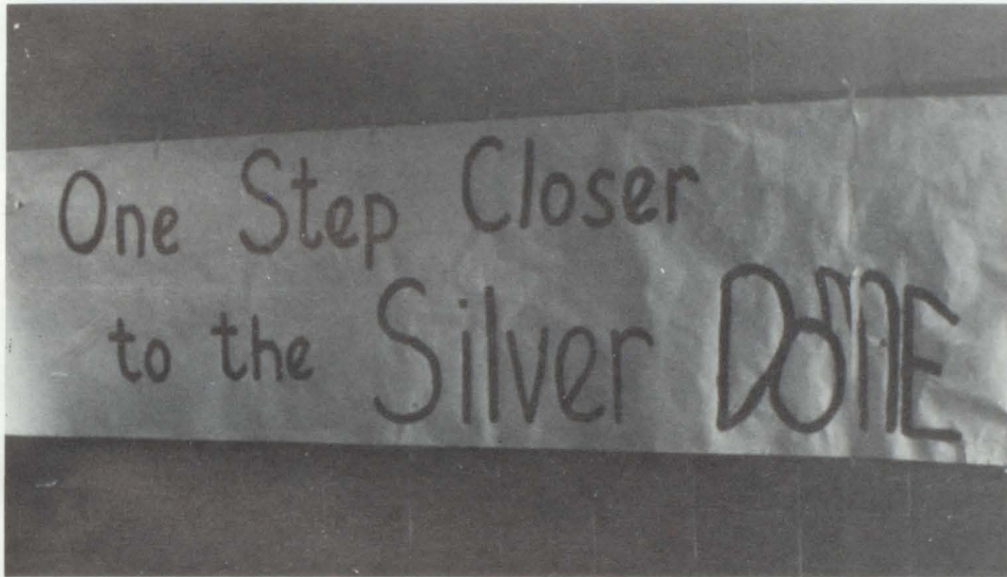

At right, a scene from the football banquet — the last one for seniors Rich Livingston, Todd Kellam, and Scott Hamilton.

FOREIGN STUDENT

FRIENDSHIP MAKES
THE ROUGH ROAD SMOOTH

Jaako Kauppila, our foreign exchange student, is from Tornio, Finland. He is living with the Van Linder family in Galesburg. Jaakko's favorite sport is soccer which he plays here and in Finland, he also plays Bandy which is like football on ice in Finland. He speaks 3 languages, which include German, Swedish and English. Jaakko said that teenagers in America are more active than in Finland and T.V., is really bad here. Jaakko said "the major difference between the United States and Finland is that Americans eat more junk food."

FALL BANQUETS

G—A Basketball placed 4th in the KVA with a record of 9 wins and 8 losses. Vickie Born, Karen Hermanns, and Dana Moses were captains. Vickie Born was chosen All-KVA for three years, Honorable Mention were Paula Allen, Karen Hermanns, and Kim Kolodiziezych. Vickie was Most Valuable Player and Leslie Howard was chosen Most Improved Player. This was also Vickie's 4th year on varsity. The assistant coach was John Kolodizieych. "I've really enjoyed working with them, I'll be looking forward to next year."

Coach Vernon W. Cramer

The football banquet was the culmination of a fantastic football season. The RAMS finished the regular season with 9 and 0 win/lost record, and qualified for the state play-offs. In the play-offs G-A lost to state finalist White Pigeon, 20-0. Special awards were received by: Tom Dopp and Steve Kasson for Most Valuable Player; Rich Liingston, Offensive Award; Ken Moreland, Defensive Award; Don Doorlag, Lineman Award; Denny Schug and Mark Scott both received the Coaches Award; Frank Baker and Scott Wiley received the Most Improved Award.

THE 1980-81 MARCHING BAND AND JAZZ BAND

This year the 1980-81 Band directors position was taken over by Donna Salada. Donna graduated from Galesburg-Augusta High School in 1974 and pursued her music career at Florida State. She then came back to Michigan to be director of her old alma mater.

The Band is supported by the Band Boosters. They raise money by sponsoring bingo every Saturday night and the proceeds are used for supplies and the directors salary. This group made it possible to continue music in the school.

In Marching Festival this fall our Band is proud to have earned a "1" rating in competition. The G—A schools have a tradition and a reputation of excellence.

To the Class of '81:

Perhaps this seems so inevitable to you that the uniqueness of the moment is lost. The summer, relatives, parties, plans for college, or marriage may combine to prevent you from being fully aware of the transition that has taken place. The community has been signalled by the occasion of your graduation that another group of young people has run the K12 gauntlet successfully. All are hoping that the thirteen year trial has provided you with approaches to problem-solving that will serve you well.

This process of promotion from one grade to the next has always been a source of pride, but there is no other time in your life when so many people share in the celebration of your accomplishments. Your friends, family, and teachers have watched you mature long enough to want to savor this level of education in your life. It is your responsibility to those of us with fond memories of your years to continue to be a source of pride in your education to come, whatever form it may take.

The 1980 Galesburg-Augusta Varsity Football season was one of great success. The Rams finished the regular season undefeated with a 9-0 record. The high point of the Rams' season came when we beat Parchment 20-18, for the K.V.A. title. Having won the K.V.A. and the region, the Rams went to the quarter-final playoffs, where we fought to a 20-0 loss at the hands of White Pigeon.

It should also be mentioned that the Ram fans showed great support throughout the season, and that the players greatly appreciated it.

Mark Scott

J.V. FOOTBALL

The Galesburg-Augusta Junior Varsity had a 4-1 record. The Junior Varsity team played with the Varsity in three games and proved to be a big help.

The 1980 season was the last year of coaching for Al Cox, who had been a dedicated coach of young men for many years.

So what do we do now?

This #★@ lock!

"Let us entertain you . . ."

It must be Monday.

A legend in their own time.

Another enthusiastic class at G-A.

"I can count this high."

"Please God, get me over this hurdle."

"I can walk and twirl at the same time!"

"You did WHAT last Saturday night!?"

Sometimes you feel like a nut.

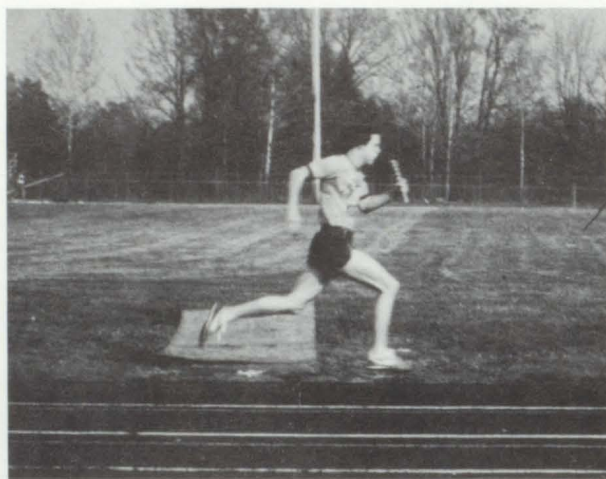

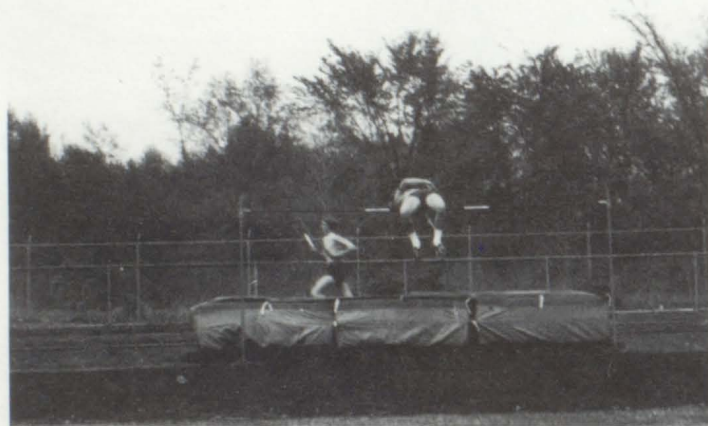

Keep your eyes on the ball, Yong Min.

Mark Scott

"At the beginning of the 1981 season, we set some goals for ourselves, such as the KVA title, winning season, and the District Championship. At this writing, we are assured of one of the best seasons ever in G-A Girls' Softball with a current record of 12 wins and 1 loss. We are also assured of at least a tie for the KVA Championship with two games in the KVA left to play. Our pitcher, Lori Garrett, only a junior, is one of the best in the area. When you have a fine pitcher, plus an outstanding blend of good talent in other positions, it makes for a very good softball season. Congratulations, girls, on a really great season."

TROPICAL SPLENDOR

"Tropical Splendor" was the theme for the 1981 Jr.-Sr. Prom. The Jr. Class outdid itself this year, having the Prom at the Battle Creek Federal Center and catered by Daane's. In the spirit of a Hawaiian luau, everyone received orchid leis. After the dinner-dance, with music provided by "Bones", it was on to the YMCA and Continental Lanes in Kalamazoo. Thanks, Juniors, for a night we'll never forget.
